MiVoz.com

Building Community One Event at a Time

MiVoz.com is a new bilingual website for Milwaukee-area Latino events and we're excited that the Milwaukee Latino Health Coalition is a launch partner. It is with this community support that MiVoz.com aims to be a valuable source of event information both within the Latino community and the greater Milwaukee area.

Action Team Updates

[Mental Health](#)

Our last meeting focused on implementation and use of MLHC's new online collaborative tool - **Open Atrium**.

We also discussed our vision and ideas for a **Spanish resource line** - possibly using the WarmLine model of peer-to-peer support.

Join us on Atrium!

For more information about the Mental Health Action Team visit our [Atrium site](#) or contact Katherine Valentyn, katherine.valentyn@gmail.com or Luke Waldo, LukeW@familypeacecenter.org.

Supporting the Health Promoters:

At our November meeting we will debrief from our September event and learn more about using the Open Atrium site for our Action Team work.

If you would like more information about this Action Team or how to be involved, please email Joelisa Castillo, joelisa.castillo@sschc.org or Vanessa Llanas, llanasv@yahoo.com

Immigration:

The I-ACT has gone virtual! We are utilizing the exciting tool, Open Atrium, to continue our conversations and work around our major initiatives: In-state tuition, Health Impact Assessment on driver card legislation, Police/ICE/Community relations and hosting Know Your Rights Workshops.

Visit our [Atrium site](#) for dates and locations of our upcoming "Know Your Rights" workshops.

If any of these are of interest to you, we welcome any and all help. To get involved, please contact Raisa Koltun at rkoltun@gmail.com or (414) 384-2673 ex. 24.
